Maps For The Serious Angler

John's Sporting Goods

Fish for halibut in 90 to 200 feet of water in this area of Dallas Bank. If the dogfish are not too thick you can use herring, squid or octopus as bait. If the dog fish are a problem use plastic baits such as a Luhr Jensen 9" B-2 Squid or an 8" twin tail scampi. Always put bait or herring scent on the plastic lures. Rig any of the baits with a spreader bar and a 15" leader. The leader should be at least 80 lb. test and the hook should be a 10/0 Gamakatsu.
