

# Crabbing

Kayak County Park is in Port Susan. The boat launch at the Park does not have a dock. Like most county parks, there is a fee to enter the park. There is a very nice fishing pier in this park. Crabbing can also be good from the dock. If you are in a boat, crab in these areas in 40-100 feet of water.

**NO NAVAL OPERATIONS**  
Mariners should use caution when maneuvering within the area. For more information consult Local Notices to Mariners.

**CAUTION**  
Mariners are warned of the protective riprap navigational light structure.
